Mr. Carl Walters, Supervisor  
Town of Guilderland  
Town Hall  
McCormack's Corners  
Guilderland, New York

Dear Mr. Walters:

As you probably know, the Faculty-Student Association of the State University of New York at Albany has been planning to convert the use of the residence which they own at the end of Waverly Place in McKownville for offices. I believe they have delayed what was to be immediate conversion because Mr. Crouse has made them aware of the zoning restrictions in this area.

Since such conversion is against the wishes of the area residents, and since it is strongly felt that this area should remain residential, the McKownville Improvement Association wishes to go on record as opposing the permission of the Faculty-Student Association of the State University of New York at Albany to use this residence for offices of any kind.

Thank you for your consideration of this request.

Yours truly,

Melvyn Behn, President
