

McKownville Improvement Association
Online Meeting
Thursday, September 10, 2020 at 7:00 p.m.

Dear McKownville Neighbors:

Due to the need for continued caution while we fight COVID-19, our September meeting will again be held online, and hosted by Delaware Engineering via the Zoom platform. Our first speaker of the evening will be Michelle Hinchey, who is running for the NYS Senate seat that will be vacated by Senator George Amedore at the end of the year. She will introduce herself and answer questions from the audience. Ms. Hinchey's opponent, Rich Amedure, was invited as well, and we hope he will join us at a future meeting.

Additionally, a developer represented by Hershberg & Hershberg will present a proposal to develop a multi-story structure at 1230 Western Avenue, the site currently occupied by the Days Inn, and formerly occupied by Travelodge and Dunkin' Donuts. The primary use of the new building would be for student housing. If built, the project will bring a significant increase in population and traffic to McKownville. As such, it is important that neighbors be aware of, and involved with, the proposed plan from the outset.

As has become customary, representatives of Delaware Engineering will update us on the status of work that has taken place as part of the drainage improvement project, and what we may expect during the 2021 construction season. Also on the agenda is an election of all officers of the McKownville Improvement Association, and those board members whose terms have expired.

Hazardous waste disposal and document shredding day

A "contactless" household hazardous waste disposal and document shredding day will be held on

Saturday, September 19, from 8:00 a.m. to noon. Materials for disposal or shredding may be dropped off at the Town Highway Department garage on French's Mill Road. Town employees will remove materials from the rear or trunk of your car. No passes are required this year, but if you don't have a Parks sticker on your windshield you may be asked to show your driver's license. At the September 1st Town Board meeting, Supervisor Barber strongly discouraged residents from arriving before 8:00 a.m. because that causes a backup of traffic.

Absentee ballots

If you plan to vote by mail in the November 3rd election, Town Councilwoman Laurel Bohl shared this link for you to request an absentee ballot: <https://absenteeballot.elections.ny.gov/Home/Search>
