Core Values

ABSOLUTE INTEGRITY

We place the highest level of importance on our integrity and the integrity of people we do business with. Our pledge and promise is consistency of commitment.

WIN-WIN PARTNERSHIPS

Great partnerships are what make our business successful. We enter into every partnership with the win, win, win mentality.

PASSION

From conception to execution we have a true passion for our mission.

INDIVIDUAL AND TEAM GROWTH

True growth does not happen without innovation. We strive to be true innovators by delivering a premium product and an unmatched experience.

COLLEGIATE DEVELOPMENT GROUP

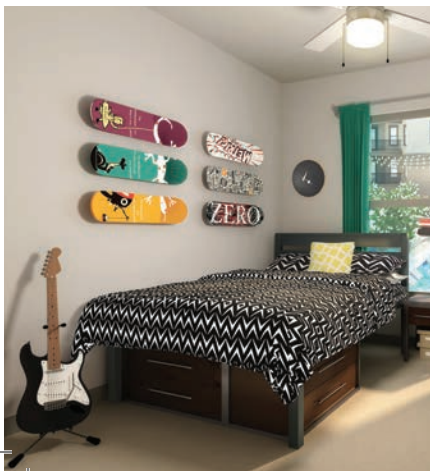

We are committed to developing innovative, institutional-quality multifamily properties throughout the United States. As long term investors, we deliver communities in irreplaceable locations and strive to be the developer known for integrity, transparency, innovation and quality.

COLLEGIATE DEVELOPMENT GROUP employs creative strategies, in line with smart growth principles, to increase the vibrancy of communities.

For us, it's about developing projects that benefit not only our residents, but also the neighborhoods in which they exist.
