

**Special Meeting**  
**McKownville Improvement Association**  
**Wednesday, June 12, 2019**  
**7:00 p.m to 9:00 p.m.**

**Place:** McKownville Fire Department  
1250 Western Avenue, Guilderland

This Wednesday, a 'meet the contractors' event will be held at the firehouse on Western Avenue. Several contractors will be on hand to describe the services they can provide to homeowners who want to connect to the new stormwater lines being installed. Many thanks to the McKownville Fire Department for making their home available to us.

**Please note that the McKownville Improvement Association does not endorse any particular contractor, and homeowners are not limited to hiring only the contractors listed below. Our aim is simply to provide a forum at which we can learn about the process and meet contractors that perform the type of work that we will need.**
