

McKownville Improvement Association
Online Meeting
Wednesday, November 16, 2022 at 7:00 p.m.

Due to scheduled maintenance at the Hampton Inn our November meeting will be held online only. Following updates from Town Supervisor Peter Barber and Biagio DelVillano from Delaware Engineering, Guilderland Highway Superintendent Gregory Wier will speak to us about his department's responsibilities and answer questions from the audience. Special thanks to Delaware Engineering for kindly hosting the meeting for us this month.

When scheduled, our spring 2023 meeting dates will be announced by an email notice and on our website.

Other news:

At our October meeting, County Legislator Mickey Cleary reminded us that Albany County residents are invited to respond to the American Rescue Plan Act Funding Survey. Responses are due by November 16th:

Supervisor Peter Barber described the improvements at Abele Park and told us that the project to install new sidewalks in Town is nearly complete, and that we now have close to nine miles of sidewalks extending from the eastern end of Western Avenue all the way to the new roundabout on Carman Road. The continuation of the public hearing on the proposed law intended to preserve native trees originally scheduled for November 1st was postponed, and will most likely be added to the agenda for the December 6th Town Board meeting. Delaware Engineering told us that the contractor expects to complete all of the storm sewer installation work this year, weather permitting. Lawn restoration will be finished in the spring, and the Town will pave the affected streets sometime next year. Storm sewer work has since begun on Norwood Street.

Stuyvesant Plaza will host a number of free events this holiday season, beginning on November 20th with a holiday stroll, carriage rides, a roving Santa Claus, and a tree lighting ceremony at 5:00 p.m.
