

# Public Meeting

## McKownville Improvement Association

*Thursday, March 26, at 7:00 p.m.*  
*Hampton Inn, 1442 Western Avenue*

Our evening will start off with announcements from Town Supervisor Peter Barber regarding the many community events that are coming up in April, including the Department of Parks & Recreation's April school break program (Tuesday, April 7 to Friday, April 10). We will then welcome Guilderland Town Planner Kenneth Kovalchik, who will describe the Town's planning process and answer questions from the audience. Also joining us will be County Legislator Mickey Cleary. He will tell us about recent and upcoming legislation that should be of particular interest to us. Additionally, representatives from the McKownville Fire Department will give us the latest information on the construction of the new firehouse, and if her schedule allows, NYS Assemblymember Gabriella Romero will be here to let us know about significant legislation that has been enacted or is under consideration by the NYS Legislature. After the business portion of the meeting, please stay and join us for some refreshments. Our next meeting will take place on Thursday, April 23.

***Other news:***

***McKownville Tree Planting Program:*** We are very pleased that our street tree planting program last year was a success, with 15 new trees planted in our neighborhood. We hope this trend will continue this year, especially since over the winter our neighborhood lost sixteen more of the trees that have graced our streets for generations. Our goal, over time, is to replace the many trees that have been removed from our tree lawns over the past several years with new trees that are suitable for current environmental and site conditions. Please see the back of this notice for more information on our Plant McKownville program.

***MIA website:*** Our website is promptly updated with items for news, announcements, and meetings. You may access it at <https://mckownville.org>
