

edited index file for McKownville for the 1930 US census

for the area on the **South side of Western Avenue**

street names were mostly recorded; house numbers were not consistently recorded
house numbers are inferred from the 1931 Albany city directory and/or the 1940 census (also street if necessary)
inferred house numbers marked in brackets: [12]
houses have been left in enumeration order, not reorganised into street number order

short intervals of Western Avenue west of each side street are included at the end of the Hillcrest and Arcadia lists
colors in the street column visually separate the different streets, and segments of Western Ave
sheets are for:
