

	Listing of the owner or principal renter of houses in McKownville on the south side of Western Avenue based on 1915 to 1940 census enumerations, and the 1931 and 1940 Albany city directories
	because only the 1940 census and the city directories list most house numbers, allocation of earlier census entries can be uncertain
	this is especially the case where street names have not been entered, or not entered correctly
	no deed tracing information has been used (obtaining this could improve the accuracy of some assignments)
	numbering on Schoolhouse Road was changed sometime after 1940; for most of the houses listed, the new numbers are not known (as of this writing)
	numbering on Arcadia Ave was also changed sometime after 1957; the equivalents are based on a map of McKownville properties made in 1951
	Upper Hillcrest Ave was called plain Hillcrest Ave in this time interval
	No city directory information is available for Schoolhouse Road before 1957
	separate sheets (tabs below) for:
	Western Avenue, south side
	(Upper) Hillcrest Ave, Wood St
	Arcadia Ave and King St
	Brookwood Ave
	Westlyn Ave/Court/Place
	McKown Road
