Dear Ellen Manning:

I am pleased to inform you that the above referenced property was listed **June 2, 2022** on the National Register of Historic Places. As you may know, the National Register is the nation's official list of properties worthy of preservation. Listing on the National Register recognizes the importance of these properties to the history of our country and provides them with a measure of protection. ***In addition, owners of income producing properties may qualify for federal and/or state income tax benefits. Homeowners in qualifying census tracts may qualify for state income tax benefits for approved work.*** Properties owned by municipalities and not-for-profit organizations are eligible to apply for state historic preservation matching grants.

We encourage you to learn more about the registers from our website, parks.ny.gov/shpo/national-register/, where you will find information about the criteria for listing as well as frequently asked questions. In addition, please see parks.ny.gov/shpo/tax-credit-programs/ for information about incentive programs for listed properties.

If you would like more information about any of these programs, please contact your field representative, in this case, James Carter, at the **Division for Historic Preservation** (518) 268-2194. The Division maintains a continuing interest in all registered properties and will be happy to answer any questions you may have.

Sincerely,

R. Daniel Mackay
Deputy Commissioner for Historic Preservation and
Deputy State Historic Preservation Officer

Dear Ellen Manning:

Following a detailed review, the State Review Board has recommended to the Commissioner of Parks, Recreation and Historic Preservation, who is the New York State Historic Preservation Officer (SHPO), that the property identified above be listed on the New York State Register of Historic Places and nominated to the National Register of Historic Places.

After reviewing the nomination, the SHPO has agreed with the recommendation of the State Review Board and has listed the property on the State Register of Historic Places. We shall now forward the nomination to the Keeper of the National Register in Washington, D. C.

If the Keeper of the National Register approves the nomination, the property will be listed on the National Register. You will be notified when this decision is made.

We encourage you to learn more about the registers from our website, www.parks.ny.gov/shpo/national-register/, where you will find more information about the criteria for listing, frequently asked questions about the registers, and information about incentive programs for designated properties.

Information about the results of State and National Register listing were included in our earlier notification letter. If you have any further questions, please contact your field representative James Carter, at the **Division for Historic Preservation**, (518) 268-2194.

Sincerely,

R. Daniel Mackay
