**Fire of unknown origin gutted the SUNYA interfaith chapel building in McKownville Sunday afternoon. Above, Bernie Selkis and Bob Monaghan of the McKownville Fire Department pause as Guilderland volunteers equipped with Scott packs climb to the second floor. The first alarm was sounded at 2:05 p.m.; McKownville volunteers were held at the scene more than four and a half hours. Besides Guilderland, Westmere and North Bethlehem departments sent tankers and crews to the scene.**
