Hi

The next public meeting is Thursday June 5.

Our elections are held annually with the president, vice president, secretary and treasurer elected each year and three Board members elected for a three year term and any other vacancies--due to resignations etc.--filled.

Things got out of whack when the Association was inactive but to get it back on-track we should generally follow the Bylaws.

The three Board members listed in the last column on the handout sheets are those up for re-election--as it was set up by me--that means Marty, Paul and Joe are up for re-election. There are almost never any nominees from the floor so the nominees are pretty much assured of re-election.

I would like to serve another term and except for Kathy who told me she wants to stop being secretary, I assume that everyone is planning to continue but I would like to get confirmations on this, please.

That is the purpose of this email--please let me know if you intend to continue. If not, do you have a suggestion for a replacement. I have to find replacements before June 5 remember.

Generally I think we have gotten a few things done this past year and though the work has been a little too much at times, we should generally feel good about the Association, in my view.

Please respond quickly if you can.

Thanks.

Don Reeb
