

What Do You Think We Should Do?

Please join
The New York State Thruway Authority
for a
Public Meeting
to discuss the
Albany Corridor Study

Project Overview

The New York State Thruway Authority is conducting a Corridor Study of the Thruway between Interchange 21A (Berkshire Connector) and Interchange 25A (Schenectady, I-88) in Albany and Schenectady Counties. The purpose of the Study is to develop a prioritized Capital Improvement Plan to address structural, safety, and operational needs within the corridor over the next 20 years to support the regional growth of the capital district.
