VEHICLE WASH BUILDING AND PAINT BOOTH #

This project would construct a one-building addition to the department garage, consisting of a vehicle wash building and paint booth. The wash facility will enable regular cleaning of salt-laden vehicles and contain all wastewater resulting from the cleaning, eliminating current environmental hazards. The paint booth will replace a paint bay in the current garage and will comply with all occupational, health, environmental and safety regulations. Construction is scheduled to begin in April, 2004. The total cost of the project is \$1,340,000 and will be financed through bond issue.
