LOB 648
Albany, NY 12248

Dear Assemblyman McEneny: *Jack*

As a follow-up to our discussion several days ago, I am seeking your assistance to secure State funding for a noise study along the I-90 corridor between Route 20, past Schoolhouse Road, and Russell Road in the Towns of Guilderland and Bethlehem.

Residents of the Woodscape Neighborhood Association and the McKownville Improvement Association have voiced frustration for many years over the noise of traffic and pollution from exhaust fumes from I-90 that is destroying their peace and quality of life. They are asking that sound barriers be placed along the highways to provide some relief.

County Legislator Mary Lou Connolly joins me in requesting your help to identify funds for a noise study. We are available to meet with you at your convenience to further this proposal, and thank you for your assistance.

Sincerely,

Frank J. Comisso
