**Subject:** Halloween Planning plans--

Hi Marty--et al

Yes Marty you are the face painter--maybe it will be a face mask painter--but you are on from 6-8 on Tuesday so if you could get there a little bit early and let me know what you need in supplies--the idea is to paint paper plates and/or brown paper shopping bags for the PARENTS to wear. Hopefully this will be OK.

Sorry that you did not get earlier notice of the meeting last night--I failed to tell you at the Thursday night meeting evidently.

We hope to have cider, donuts, apples, popcorn, balloons, someone taking pictures, a clown and a parade. The clown and the parade are the focus and will take up most of the 2 hours. Lots of small prizes will be available to be distributed also--for the parade etc.

So to this we add 3-4-5-6-7 tables of activities. (1) dunk for apples. (2) paint brown paper bag masks (3) paint paper plate masks (4) pin the ~~stem~~ <sup>eye</sup> on the pumpkin (5) pinata (6) make ghosts from rice filled plastic sandwich bags, cover with tissue paper and draw ghosts on the tissue paper and then toss them into a waste paper basket (7) put glob of paint on a ~~brown paper~~ <sup>plate</sup> and blow on it through a straw to make weird pictures.

So we need the supplies for these activities--most of which we have--and some VOLUNTEERS to work the tables.

Hopefully Marty will handle 2 and 3, a fireman will handle (1)--Alice I think will volunteer for (4)--maybe a fireman will do (5)

HELP is needed.

We are planning blind--it has been about 8 years since this was done so we have no way to guess how many are going to show up or their ages. But--it will be a great success.

Please let me know what you think and how you can help. Thanks.
