Hi Don -

This is Jen Nelligan from 42 East Parkwood Street. I am pleased to report to you that we have not had any noticable issues with cars parking at the end of East and West Parkwood since we established contact with the police, sent out the neighborhood letter and spoke with you. The sudden change could likley be attributed to any number of factors - an awareness that we and others were watching, regular police patrols or perhaps the offenders have gone back to school (high school or college) - but frankly I am just happy that this no longer seems to be a concern. Thank you for your help with this matter.

I know that there is a meeting on Wednesday evening but unfortunately my husband and I are both involved with other committments on the 19th so we will not be able to attend. I have a fundraiser that I need to be at and he has an event that he has to attend at our daughter's school. We would however like to be more involved in the Neighborhood Association so please keep us in mind and hopefully we'll meet you at next month's meeting.

Thank you again for your help.

Jennifer Nelligan
