Chuck:

I spoke with Jim Sumner and I invited him to the lunch tomorrow--noon--Metro Diner--I thought it was best to get you and me and him all talking so we can proceed to get a well developed and properly worded motion for the February 1 meeting---which I think is crucial..

Also I am concerned about the January 17 Town Board meeting when the topic will be reducing the ZBA from 7 to 5 members. Neither Sue Macri nor Al Maikels are listed as members of the ZBA on the current Town web page..

I am not opposed to a smaller ZBA to save money but one alternate ZBA member--Nicvole Ventresca-Cohen, is a conservative and likely no friend of McKownville and it appears that she, along with Charles Cahill, will round out the 7 members..

So who will be the voting members at the February 1 meeting--these are the 7 listed members(along with Thayer) on the current Town web page--and we need a majority( 4 of 7 votes, or 3 of 5 votes).
