Sidewalks—stakes are being placed — ROW

Holt-Harris---*Stam* Cronin

Nano—moving the highway—when will it begin —*This week next*

University-stadium—Business, dorm, other projects

Delaware report—maps--EXPLANANTION

Senator Neil Breslin \$500,000 for improvements

Association memo—shortfalls in Delaware report

Drainage survey Sept 1, 2008 results--one third responded---

Nearly all made efforts to protect their own property--

About half said they would be willing to pay more taxes--

Tax base of \$235 million times .259910=\$61,000; \$57,000 without Woodscape or the "berrys".

If not a special district—what

A planning group need be formed to propose action to alleviate drainage problems for our 27 streets

*Bryan Cleverly
Pat Slawick
Jean Cataldo
Paul Pastore
Mary Lou Connolly
AO Alchamy
Burt Forte*

30 streets
