Subject: Styvasant Plaza

Dear Dan,

I spoke with Ken Runion last week and he indicated that Styvasant Plaza has fulfilled their financial obligations under the memorandum and agreement dated July 8, 2009 and that the ZBA could proceed with the special use permit process for the installation of the proposed parking area behind the TGI Fridays restaurant.

As such I have talked to Jan Weston and she will place this request on the February 13, 2013 Planning Board meeting for site plan review. I will schedule your request before the ZBA for either February 20, 2013 or March 6, 2013.

I will take a look at the file in the interim to see if any additional information is needed.

Sincerely,

Donald F. Cropsey Jr.
