

Ask for the final motion of the PB to be read to the audience and those viewing at home

- 1) Does the board's review of the materials provided concur with the reduction in in-
- 2) Since the parameters enclosing the current parking has not increased, does the board have the spaces within said parameters to accommodate the additional parking required by the plan?
- 3) Has the board had an opportunity to consider the layout concerns raised by the plan and ingress and egress from the ring road vs from points near the buildings?
- 4) Has the board had an opportunity to review the proposed reduction in space available contemplated CDTA bus routing enhancements?
- 5) Your issue related to sunseting Crossgates exemption from making contributions
- 6) Does the board understand where and in what form the green space will take if the plan is approved?

2 restaurants
 2 entertainment

2,003 sq ft
 $20,000 \times 2 = \underline{40,000}$ sq ft

Restaurants need ~~some~~ more parking

Parking aisles
 prevent cars from crossing across

- KIOSKS
- 50 parking spaces for park & ride
- + additions (unknown size)
- crime center
- lack of green space
