12/7/15

to me

Hello Don –

Attached is some information about the National Register and historic districts. After Jan : Bill Krattinger will be the new rep for Albany County. He can be reached at [518-268-2167](tel:518-268-2167) at [William.krattinger@parks.ny.gov](mailto:William.krattinger@parks.ny.gov) My suggestion is to review this material and give him call after the first of the year.

Additionally, you may want to think about talking to Erin Tobin at the Preservation League NY. They administer a grant program that helps communities survey their historic resourc which is usually the best way to begin determining what you are working with.
