

McKownville Improvement Association
Public Meeting
Thursday, September 20, 7:00 to 9:00 p.m.
Hampton Inn, 1442 Western Avenue

Please plan to attend our first meeting of the fall season on Thursday, September 20, at the Hampton Inn. Guilderland Town Supervisor Peter Barber and representatives from Delaware Engineering will update us on the McKownville stormwater drainage and water project. We'll also hear from Guilderland Assessor Karen Van Wagenen and Andrew Farbstein, representing Industrial Utility Valuation Consultants, Inc., about the Town wide reassessment.

Next, Marie Wiles, Superintendent of Schools at the Guilderland Central School District, will present information about the capital construction project that is up for a vote on October 16. Our last speaker of the evening will be New York State Assemblywoman Patricia Fahy. She will speak about the 2018 legislative session and her priorities for 2019.

Upcoming Meetings: Wednesday, October 17 and Thursday, November 15

Other News:

Park Cleanup Day Saturday, September 22, from 10:00 a.m. to 12:00 noon: We were rained out in May, so we're planning a fall cleanup at the McKownville Reservoir Park adjacent to Stuyvesant Plaza. Come and help us pick up trash, pile up fallen limbs and clear brush. A trash bag and garden pruners or loppers would be handy items to bring along. If it rains we'll try again on September 29th.
