

1932

The July meeting of the McKownville Improvement Association was held at the Fire Co Room Tues eve.

July 19 1932 Present Pres Feldman J. P. Fookett Secy W R Marden and 15 members.

The minutes of the June meeting were read and approved.

Pres Feldman called up Mr Caldwell of the N.Y. P & L Corp who explained fully the new light rates which will apply to the renewal of our st lighting contract and also the cost of more or larger lights if wanted.

It was regularly moved that we renew the contract for 17 as they are now. It was moved that this be amended by making the lights on Western ave 250 candle power. The amendment was lost and the original motion carried by a vote of 10 to 8, and supervisor Plank was notified to renew the contract for 17 lights at the new rates.

Chairman Vanneman for the water committee reported that the new pipe had been ordered and would be laid when it arrived, and the committee was continued.

Pres Feldman reported for

1932
July

The streets Committee that all the side streets had been accepted by the Town of Guilderland, and improved to some extent by the Town Supt of Highways.

It was regularly moved and carried that our thanks be extended to T.S. Bessler for the work he had done.

The membership committees reported eight new members.

Mr Hurley reported for the Gardens Committee that it organized too late to do anything this season and suggested that the work be taken up in Feb or March, and the Committee was continued.

Mr Vedder suggested action on a community playground and Mr Vedder and Mr Fookett were appointed a committee to act on this.

Thos King and Earl Grandell from Arcadia It were elected members and paid dues.

It was regularly moved and carried that Aug and Sept meetings be left to the Pres to call if necessary, after which the meeting adjourned.
