

1932

The November meeting of the Association was held at the School House Tues Nov. 14 8pm - 1932

Present Pres. Feldman V Pres Fookett
Treasurer Seim and 13 members (16 Tot.)

Meeting called to order by Pres Feldman - The minutes of the October meeting were read and approved.

Pres. Feldman reported for the entertainment committee that the remodeled Knowles Hall could not be used unless the weather was very warm, as the heating arrangements are not completed.

After considerable discussion a special committee was appointed, to select a place and arrange for a card party if the committee found a suitable place

Mr Conklin reported for the St. committee giving cost of various types of St signs. Suggestion was made that residents of each St arrange for a sign for that St, but no action was taken.

A letter from the Ry Exp Co advising that service would be extended to Fuller Rd beginning Nov. 1. The secretary was instructed to acknowledge the letter and assure the Exp Co. that the Association would cooperate in making the change known in the District

On motion the meeting adj.

Walter R. Mander
Secy

appd

Sidewalks were discussed and the committee on sts and side walks was requested to look into the matter further and report at the next meeting.

Also the question of st signs was discussed for some time and a committee was appointed to look up existing signs or lack of signs and report back to the Assn.

After adjournment a social hour was held and crullers and sweet cider served.

Walter R. Marden
approved 11/15 32 Seeley

Mr Conklin reported the name of Mr Frank G. Caburn - 1459 Western Ave.

Mr Marden reported Mr J F Bengert and Paul C. Marden.

Mr Conklin reported for the sts committee that the state expects to build 22' wide on So side of present concrete and would not consider a sidewalk nearer than 35' from new concrete. Recommended that it be held open until the state had moved on the paving question.
