

The February meeting of the Association was held at the Fire Co Room Tues Feb 21 1933

Present Pres. Feldman Treas Seim and 19 members

The minutes of the Jan meeting were read and approved.

The entertainment Committee reported the net proceeds of the dance held in Feb 72⁰⁰. The report was received and a formal vote of thanks extended to the Committee for its good work.

Mr Conklin presented the names of Sidney L. Smith and Morgan O. Barrett for memberships and

they were duly elected

Mr Conklin noticed for vote at the March meeting an amendment to the by-laws that membership cards issued four months or less before the annual shall be good to the end of the following fiscal year.

Moved and carried that the \$2.00 proceeds of the dance be applied to the St Sign Fund, and that signs be purchased and installed.

President Feldman announced that Mr Jenkins had been named chairman of the Water Committee and Mrs R.H. Finegan named to fill the vacancy on that committee.

Mr Jenkins reported that Mr Austin (P.S. Co Bureau of W. Sup.) was making a survey and report would be made after survey is completed.

The question of minimum gas charge was brought up and referred to Mr Jenkins for report later.

The sanitary conditions at School 27 City of Albany was discussed informally.

The Streets Committee suggestions regarding a side walk from Knowles Ter to Club entrance at City Line discussed. Mr Jenkins offered use of a 5T truck to haul fill, and Pres

Feldman suggested that the asso. could assume \$250.00 of cost and that the subject be discussed later after we had plan so closer cost could be figured.

Question of destitute, or needy families was brought up and elicited the information that Mrs L. Chandler is acting as welfare officer for the Town of Guilderland, and cases may be reported to her.

On motion the meeting adjourned.

Dear Mr Feldman

Regarding the matter of signs, we have written the factory who advise us that we can name you a price on the 30-C sign of \$8.00 net. This is a reduction of 50¢ each

This sign is the one with four plates with shaft going thru the whole sign, with Cadmium bolts holding the Malleable frames. All signs are fitted for 3" steel pipe which is 11' long and is the same sign as we sold to pelmar and Slingerlands.

We hope to be able to sell you the signs in question.

Yours truly

E.I. Van Doren Distributor
