

June 20 1933

The June meeting of the Association was held in the Fire Co Room Tues. eve June 20 Pres. J. F. Feldman in the chair, and 21 members present.

The minutes of the annual meeting were read and approved.

Pres. Feldman reported for the Sts and Sidewalks Comm. regarding the Correspondence with Commr Brandt and Div. Engr. Hollar of the state H. Dept. and read for information the letter submitted to the H. Dept and Commr Brandt's reply, also reported that the plan for continuing the north side walk on Western had been filed with the Div Engr for action.

It was decided to confer with the Town Board and if possible enlist its influence for So side widening of Western Ave.

Mr Feldman reported that the petition for So side widening had been signed by many and would be circulated throughout the Dist as soon as possible.

Mr Jenkins reported for the Water Committee that the connection of the Brookwood supply pipe to the new main had been made with a marked increase in supply for those drawing from that pipe. Also he reported that a steel tower tank had been purchased but the present pumping plant is not adequate for the needed to supply the tank, and

that a wooden tank had been secured to be placed on top of the present tank, which also involved some electrical difficulties

The names of Mr John Ronan, H.S. Rapp & has Tracey and Dr Hunting were presented for membership, and were duly elected.

Mr Feldman presented Mr R Shearer a Hydraulic Engr who addressed the meeting at some length on the various steps necessary to form a water Dist and gave approximate costs of a new system, and for "taking over" the present system and developing it to the proper state to furnish an adequate supply, also gave approximate costs of ~~the various schemes including~~ getting water from the City of Albany, and putting in new mains; and a vote of thanks was extended to Mr Shearer for his talk.

It was moved and seconded that we hold no meetings in July and August, and on voting the motion was declared lost.

The question of making the Associations limits coincide with the Fire Dist was brought up and Mr Conklin was named a comm, to present the matter to the July meeting on motion regularly carried the meeting adjourned.
