Map of Country Club Highlands (Whitbeck plot) was filed in Albany County Clerks office Dec. 31st, 1912 in Book 27, Drawer 27, Map no. 808, by Mr. Leslie Allen, Surveyor. This map was a revised map of one filed previously

Regarding deeding of streets to Town: Brookwood: Mr.Rasmussen is agreeable, in fact, anxious to do so in order to have the street kept in good condition, and he thinks all of the property owners on that street are anxious to have it done. Committee have been unable to interview Mr.Bloomingdale after having gone to his house four times (4) at different time of day and evening: From hear say, he is unwilling to deed his part of the street to the Town.

ALBANY SAND & SUSPLY CO.

Knowles Terrace: Mrs. Knowles seems agreeable and the Committee believes will deed this street over to the Town when time arrives that others do, however, would want to confer with Mr. Witbeck before deciding definitely, as he has water pipes under ground in her street.

Glenwood; Parkwood; and Elmwood are paved and xxx this paving has been paid for by the property owners thereon, therefore, question arises whether or not these streets could be deeded to Town, as thus Far Town does not repaired concrete paved roads or streets.
