

MCKOWNVILLE IMPROVEMENT ASSOCIATION

McKownville, N.Y., March 12, 1934.

To Our Friends and Neighbors:

Someone has said, if you are satisfied you will not be successful. The McKownville Improvement Association is not satisfied with some of the conditions now existing in our community. We feel that you are not contented with our-water situation - streets - sidewalks - sewer system - firehouse - traffic conditions on Western Avenue.

You are interested in McKownville or you would not live here. Why not help improve the village you call home.

WHAT WOULD YOU DO?

- If the water continues as is.
- If the sewer system failed to function.
- If the busses go only to city line.
- If the Fire Company disbands for lack of housing facilities.
- If you should discover a fire in your home.
- If Western Avenue was widened only on the north side.

You may have to solve these and other problems. The need of an organization such as ours is a necessity in our community. We solicit your membership and support. In unity we accomplish. Divided we fail.

Of course, we will need funds to accomplish our purposes, hence one of your neighbors will call at your home soon, offering you the opportunity to contribute your share by purchasing tickets and attending your community dance which will be held at the ALBANY COUNTRY CLUB, Friday evening April 6th, 1934, 9:00 to 1:00, a six piece orchestra will furnish excellent music; TABLES AND CARDS FOR THOSE WHO DESIRE, dress optional. Tickets \$1.00 per person.

We are certain you will not want to miss the MUSIC, DANCING, THE REFRESHMENTS, AND THE GOOD TIME. We will be seeing you there.

Respectfully yours,

ENTERTAINMENT COMMITTEE
MCKOWNVILLE IMPROVEMENT ASSOCIATION.
