

Special Mass Meeting June 5, 1935

To discuss the situation of dust on a number of streets a general notice was mailed to all residents on streets affected as well as residents along Western Ave opposite those streets.

Meeting opened at 8:10 PM by President Feldman who stated purpose of meeting and then called for suggestions and recommendations from the floor. It was finally decided to get definite information from oil companies doing this work and meet again June 10 for further discussion.

Secretary reported an interview with Mr. Tubbs of the New York Telephone regarding a change in the listing in the new book. The word McKownville will appear next to the listing of all phones in McKownville.

Meeting adjourned 9:20 P.M.
