

December 13th, 1938.

Town Board,
Town of Guilderland, N. Y.

Gentlemen:

Re: McKownville Improvement Assn.

During the past summer a number of complaints have been filed with our Association as respects to the noise created by the midget automobile and motor cycle races conducted in the race track operated within the property of McKown's Grove. At the last meeting of our Association a resolution was unanimously adopted to seek relief from this reported public nuisance through your good Board.

At the same meeting a resolution was unanimously adopted to seek relief from the dog kennels in our community which is reported to be a public nuisance.

Assuring you that your co-operation will be greatly appreciated, we are,

Yours very truly,

Clerk

President
