Dear Mr. Hamme:

The writer is pleased to inform you that the petition which you presented to me last Sunday has been presented to the Board by Councilman John E. King and has been favorably acted upon by the Board and the Town Supt. of Highways. Therefore, this letter is your authority to plant the trees on Norwood Street as suggested in your "Norwood Street Tree Plan".

I know the trees ^{will} look very nice and in a few years will enhance the beauty of your neighborhood.

Very truly yours,

Milo H. Clark

Dear Neighbors - Although my wife and I will be moving from your midst in a few days (to 1259 Moonmist Circle, Siesta Key, Sarasota, Florida), we sincerely wish all of you from this 20th. Anniversary Date forward - Do continue to enjoy the trees which we were all so appreciative of.
