

5 October 1954

Mr. John J. Welsh
Town Supervisor
Town of Guilderland
Albany County
Guilderland, New York

Dear Mr. Welsh:

Our Association would like to call to the attention of the Town Board the advisability of forming a reservoir west of the present reservoir by using the new dam recently constructed by the Niagara Mohawk Power Corp.

This would require some bulldozing and cleaning out in order to make a proper settling basin.

May we hear from you on this.

Very truly yours,

McKOWNVILLE IMPROVEMENT ASS'N.

L. H. Comstock, Secretary
