Dear Sir:

I have been requested to write you concerning the lack of maintenance of the streets in McKownville.

Providence Street is in definite need of a new base. Upper Elmwood, Brookwood St., Norwood St., Arcadia Avenue, Mercer Street east of Tracey, and several others are in a serious state of disrepair. Also, the gutters and ditches should all be cleaned out.

In the interest of the taxpayers of McKownville we request your immediate attention to these existing conditions.

Very truly yours,
