Gentlemen:

Attached hereto is a copy of a news letter that will be mailed to citizens of the Town of Guilderland as to the need for a Town Planning Board. You will note this letter is to be followed by a petition.

When the petition goes to the Town Board, a resolution for the creation of a Town Planning Board will be enclosed. Your committee would greatly appreciate your sending at this time the names of one or two candidates for appointment on the Planning Board. This will make a complete package with

- (a) Petition from the Voters
- (b) Resolution for creating Town Planning Board
- (c) Names of men endorsed by your respective organization to serve on the Board.

Yours very truly,

Business and Public Affairs  
Committee
