

ARE YOU INTERESTED IN THE PROBLEMS WHICH WILL BE CREATED WHEN OUR NEW NEIGHBOR, THE NEW YORK STATE COLLEGE OF EDUCATION, ARRIVES IN OUR MIDST?

DO YOU SENSE A FEELING OF DANGER AS YOU TRY TO ENTER THE FLOW OF TRAFFIC ONTO WESTERN AVENUE FROM ONE OF OUR SIDE STREETS?

HAVE RECENT CHANGES IN ZONING REGULATIONS CAUSED YOU ANXIETY ABOUT WHAT COULD HAPPEN TO THE CHARACTER OF OUR COMMUNITY?

WHAT HAS BEEN HAPPENING RECENTLY IN REGARD TO PROBLEMS OF THE WATER AND SEWER DISTRICT?

All of these matters should be the concern of each and every one of us in the community. While it is often impossible to cope effectively with such problems as individuals, it can readily be done by your organization, the McKownville Improvement Association. The Association has as its primary objective the mission of investigating and evaluating matters of primary concern to our district, of calling such matters to the attention of the community when this is pertinent, and of assisting them, directly or indirectly, in the procurement of necessary improvements for the convenience, comfort and healthy growth of our area.

The activities of the Association, and of many of the individual members of the Board of Directors, often do not become fully apparent to us as individuals within the community. However, while these activities do result in positive action by various higher groups, we do feel that the work of the Association would be much more effective if it truly represented the voice of a much larger segment of the population of McKownville. At the present time, our members number less than 30% of the residents of the village. Won't you please help strengthen our position by lending your support to our Association by becoming an active member and partner in our work?

In order to accomplish our objectives, we are enlisting your financial support by requesting your dues of \$1.00 for the year 1961-1962. Won't you renew your membership NOW, or if you are not a member at present, won't you thoughtfully consider joining the Association? The dues are certainly nominal. The basic objectives are district wide and require district-wide support. If you have any question, do not hesitate to contact an Officer or Board Member.

The Annual Meeting will be at the:

McKownville Fire Hall, Tuesday,  
May 16, 1961, at 8:00 P.M.

1. A brief report of the activities of the year will be given.
2. Voting for the new Officers and Directors will take place.
3. Mr. John King, Supervisor, will talk on future plans for the Town of Guilderland.

Harry W. Reynders
