

1963
(Notice)

McKownville Improvement Association, McKownville, New York

NOTICE OF ANNUAL MEETING

TUESDAY, MAY 21, 1963 8:00 P.M.

McKOWNVILLE FIRE HALL

The annual meeting of the McKownville Improvement Association will be held Tuesday, May 21, 1963, at 8:00 p.m., in the McKownville Fire Hall. The business meeting will be concerned with a review of the activities of the past year and the election of Officers and Directors for the coming year.

As an additional feature of our meeting we are to have the privilege of hearing an address which we are sure will be of the greatest interest to all the residents of the area. Col. Walter M. Tisdale, Assistant to the President of the State University of New York for Planning and Development, will speak to us on the subject, "The New State University and Its Impact on the Community." Since this project is probably the most important undertaking going on in our area at the present time, why not come and hear at first hand the story of this project, from the man who is in complete charge of its execution.

In the past it has been pointed out that the primary objective of our Association is to investigate and evaluate matters of concern to our district, to call such matters to the attention of the community and then to assist, directly or indirectly, in the procurement of necessary improvements for the convenience, comfort and healthy growth of our area. In some instances your Board is not aware that a problem does exist in your particular area, and so we invite you to come to the annual meeting to make known to us any major problem of concern on which we could endeavor to take action. It is only in this way that we can hope to serve our community to the best of our ability.

As is the case with any organization it needs the support of its members, not only financially but also by their participation in the work of the group. Won't you please show your support of the Association by being present at this important meeting and by paying your annual dues of only \$1.00 for the year 1963-1964.

The McKownville Improvement Association is your Association, working in your behalf to make your community a better place in which to live, work and play. The combined efforts of all residents of McKownville will assure the success of this objective.

Harry W. Reynders - President

TO: MRS. VERLA MC CARVILLE, TREASURER
4 NORWOOD STREET
ALBANY 3, NEW YORK

Enclosed please find \$1.00 to enroll me as a member of the McKownville Improvement Association for the year ending May, 1964.
