Mr. August J. Domenico
259 Delaware Avenue
Albany, New York

Dear Mr. Domenico:

At a recent meeting of the Board of Directors of the Mc Kownville Improvement Association there was comment on the attractive appearance of your two Professional Buildings now in use on Western Avenue, between Elmwood Street and Fuller Road.

We felt it fitting and proper to compliment you on their fine appearance as we feel they are an asset to our community.

Yours very truly,

G. V. Haane, President,
Mc Kownville Improvement Assoc.
