Stuyvesant Plaza Management Office
44 Fuller Road
Albany 3, New York

Gentlemen:

At a recent meeting of the Board of Directors of the Mc Kownville Improvement Association it was the concensus of the group that a letter be sent you complimenting your organization on the excellent housekeeping you maintain surrounding Stuyvesant Plaza Shopping Center.

We would like you to know we have had numerous compliments from local citizens, as well as our Directors, on the neatness maintained in the rear of the stores as well as the front of the Shopping area itself.

We realize it must take considerable effort on your part to keep the Plaza in this manner, and felt, therefore, a word of encouragement should be forthcoming.

Yours very truly,

G.W. Hamme, President,
Mc Kownville Improvement Assoc.
