Re: Mc Kownville Storm Drain

Gentlemen:

As instructed at Town Board meeting of December 3rd, I have been in contact with Mrs. Arthur Hauser, 5 Hillcrest Avenue one of the owners of property which will require an easement in connection with this storm drain improvement.

After bringing to bear all of the logic I could muster, Mrs. Hauser was very adamant and decisive in stating that she would not grant the necessary easement.

Due to the fact that the Bergerons, 3 Hillcrest and the Hausers are working in unison in refusing to grant easements, I considered it useless to contact the Bergerons for the purpose of obtaining this easement.

Respectfully,

J. FRANCIS PURDY
Supt. of Bldg. Dept. & Zoning Adm.
