Re: Ladies Auxiliary  
McKownville Fire Department

Dear Mrs. Gallagher:

Subsequent to our telephone conversations and correspondence, I am enclosing a copy of a letter from the Office of the Supervisor of the Town of Guilderland to the State Traffic Commission bearing the needs of traffic control at our area. Although you are aware of the contents in general, I thought you may wish a copy for the record of the joint efforts and actions being taken to date.

As you may have read in the newspapers, recent meetings have been held in the Office of the Commission with representation from the State Police and the Town of Guilderland personnel for a better appreciation and concern for the needs of the present and future.

May I assure you that the McKownville Improvement Association is pleased to know of the willingness of your Auxiliary to aid and support in having the matter forcefully brought to attention for the best possible solution to this matter we are all concerned with.

Sincerely yours,

G. W. HAMME, President  
McKownville Improvement Assoc.
