Mr. Gordon Robinson, Supervisor,  
Town of Guilderland,  
Guilderland, New York.

Dear Mr. Robinson:-

Thank you for your cooperation in keeping this organization informed on matters concerning Mc Kownville, and, at the moment, the most pertinent question of traffic controls on Route #20.

In being aware of happenings, we, in turn, can answer intelligently any questions raised by various members or organizations, such as the Fire Company, the Women's Auxiliary, etc. which, we believe, makes for a happy community.

Your continued consideration will be appreciated.

Yours very truly,

Gerald W. Hamme, Pres.
