

MC KOWNVILLE
IMPROVEMENT ASSOCIATION
MC KOWNVILLE, N. Y.

29 April 1964

Mr. Gordon Robinson
Town Supervisor
Willow Street
Guilderland, N. Y.

Dear Mr. Robinson -

Thanks for your favorable consideration of our request and promptness in announcing a McKownville Water Advisory Board. 'Be assured we'll not allow the matter to drag.

To confirm the recent telephone conversation with you, we do request that you be with us in attendance at the annual McKownville Improvement Association Meeting. It will be on Tuesday evening, May 19th, at 8:00 o'clock in Christ Lutheran Church on Western Avenue. We feel positive the members will be pleased to have you present and give a resume report of principal actions your Board has underway or has taken, and state any plans you may have - especially as concerns McKownville.

We would be pleased also to have your Planning Board Chairman present and have him give an up-to-date report of Board activities on near and long range plans. As you may well know, interest is steadily growing and questions are becoming more numerous. We sincerely hope this opportunity can be taken for mutual enlightenment and benefit.

So that we may have our notices prepared, I, personally, would appreciate receiving your consent in reply and to know that both of you will be present. Any requests or information you may wish to advance along are welcomed.

G. W. HAMME
President
