Town Supervisor To Speak At Town Meeting

At the Annual Meeting and Election of Officers to be held at 8:00 p.m. on May 19 at Christ Lutheran Church the McKownville Improvement Association will have completed 40 years of service to the community.

The objective of the Association has been to investigate and evaluate matters of concern to the District; to call such matters to the attention of the community and then to appropriately assist, directly or indirectly, in the procurement of necessary improvements for the convenience, comfort and healthy growth of the area.

Mr. Gordon Robinson, the Town Supervisor, and Mr. Ward Wells, Chairman of the Town Planning Board, will be present at the Annual Meeting to discuss up-to-date activities on near and long range plans. As interest has increased and questions are becoming more numerous concerning our potential growth, it is felt that this meeting can be mutually enlightening and beneficial.
