

McKownville Improvement Association

McKownville, N. Y.

1924 - 1964

NOTICE OF ANNUAL MEETING
TUESDAY, MAY 19, 1964 8:00 P.M.
LUTHERAN CHURCH -- OPPOSITE PLAZA

At the Annual Meeting and Election of Officers to be held at 8:00 P.M. on May 19th, the McKownville Improvement Association will have completed 40 years of service to the community.

Records show that over those years the Association has worked constantly and evidently untiringly at its primary objective. The objective has been to investigate and evaluate matters of concern to the District; to call such matters to the attention of the community and then to appropriately assist, directly or indirectly, in the procurement of necessary improvements for the convenience, comfort and healthy growth of the area.

Mr. Robinson, the Town Supervisor, and Mr. Wells, Chairman of the Town Planning Board, will be present at the Annual Meeting to discuss up-to-date activities on near and long range plans. As interest has increased and questions are becoming more numerous concerning our potential growth, it is felt that this meeting can be mutually enlightening and beneficial.

We hope you can be present and invite you to make known to us any major problem of concern on which the Association could endeavor to take action. It is only in this way that we can hope to serve our community to the best of our ability.

The McKownville Improvement Association is your Association, working in your behalf to make your community a better place in which to live, work and play. The combined efforts of all residents of McKownville, through membership and participation, will assure success of this objective.
