

The McKownville Improvement Association

McKOWNVILLE
ALBANY 3, NEW YORK

ANNUAL MEETING

TUESDAY, MAY 16, 1967 - 8:00 P.M.

CHRIST LUTHERAN CHURCH - WESTERN AVENUE - OPPOSITE STUYVESANT

Please reserve this date and urge your neighbors
to attend.

Dr. Irving Vershoor of the State-University staff will speak on community-University relations and describe how University activities will be of benefit to local residents. Members of the audience will be given the opportunity to bring up questions and suggestions.

Election of Officers for the coming year will take place. Messrs. Gerald W. Hamme and Harold W. VanHeusen head the Nominating Committee to report at this meeting.

Child vandalism continues at Christ Lutheran Church and I welcome suggestions to stop the breaking of windows, outdoor lights, etc. The Troopers have been checking. The church does not want to fence the premises, but expects the kids to use the parking lot for group play.

A resolution to locate a Post Office at Stuyvesant or nearby should be brought at the meeting. This would be sent to Washington representatives.
