

Members of the McKownville Fire Department held their annual family picnic Sunday, September 22 at McKown's Grove. We understand that one of the highlights of the affair was a succulent chowder created by Chief Chowder Chef Chet King of McKownville. For years "Chet" has whipped together a clam chowder that puts all other chowders to shame. We're hoping to impose on him to give us his recipe for a future issue of the RECORD.
