

The McKownville Improvement Association

INFORMATION MEETING

1961

SUBJECT: SEWER LINES TO BE BUILT IN MCKOWNVILLE AND VICINITY

SPEAKER: MR. F. THAYER MARTIN OF STANDARD ENGINEERING CORPORATION

PLACE: WEDNESDAY, DECEMBER 11, AT CHRIST LUTHERN CHURCH
8:00 P. M.

MR. MARTIN WILL COVER PLANS FOR THE NEW TRUNK AND LATERAL SEWER LINES, TOGETHER WITH THE CONSTRUCTION TIME TABLE AND ESTIMATES OF COSTS TO HOME OWNERS.

METHODS OF MAKING HOUSE CONNECTIONS WILL BE EXPLAINED.

IT IS NECESSARY TO INSTALL NEW SEWER LINES TO COMPLY WITH A NEW YORK STATE HEALTH DEPARTMENT DIRECTIVE TO END POLLUTION TO LOCAL STREAMS. ALL RESIDENTS OF MCKOWNVILLE AND VICINITY ARE URGED TO ATTEND.

Andrew Valenti

President

TOWN OF CHAMBERLAND
McKownville
November 12, 1968

Mr. Andrew Valenti, President of the McKownville Improvement Association, has announced that on December 11th, 8:00 P.M. at Christ Lutheran Church, McKownville, a special meeting will be held for the purpose of an informative talk by Mr. Thayer Martin from Standard Engineers on the proposed sewer plan of the Town of Chamberland.

Submitted by:
Sec'y, McKownville Improvement
Association.
