Gentlemen:

Our Association is planning a meeting on Monday night, February 4, 1974 at 7:30 p.m.

We are aware of your interest in building a shopping center to the west of the Thruway and would very much like to have a member from your group speak at our meeting, giving some of the details of the shopping center to our members. Your discussion, if suitable, would start about 8 p.m., taking up to one-half hour, with a discussion of your plans, followed by a question period of approximately thirty to forty-five minutes.

I would appreciate hearing from you regarding this. I can be reached after 5:30 p.m. at 489-8015. Your immediate reply would be appreciated.

Yours truly,

Melvyn Behn, President  
(27 PARKWOOD EAST, ALBANY, N.Y.)
