The Guilderland Town Board has decided to have an advisory vote for residents and propertyholders in McKownville, i.e., those in the McKownville Fire District, to determine if you want such a zoning law established. This vote will take place on Wednesday, May 22, from 12 noon to 9 PM at the McKownville Fire House.

It is strongly urged that all McKownville residents attend the McKownville Improvement Association Meeting, at which time the proposed law and other important topics will be discussed -- such as recent developments which could have an effect on the amount of sewer tax you pay.
