HERE WE GO AGAIN !!! ? !

TUESDAY, AUGUST 13, at 8:00 p.m. at the Guilderland Town Hall -- there is a hearing to re-zone the residence and property at 7 Fuller Road from R-10 to B-1 (a general Business Zone).

As always, the minute that citizen pressure seems to let up, commercial interests will surface to try to commercialize our area.

Although the applicant was cited in 1971 for a violation of the Zoning Law, no further action was taken by the Town to pursue this situation. In fact, this year the applicant showed his lack of concern for the Law by further expanding the business use in a residential area.

You can help prevent this, once again, by ATTENDING the Hearing and SPEAKING OUT to PROTECT YOUR HOME!!!!
